I give permission for my teen /teens _____ to travel in vans with licensed drivers to attend the Explicit Truth Event (www.silverringthing.com) to be held Sunday October 22nd, 2017. This event will make clear God's plan for relationships, sexuality, identity and so much more. It will tackle the tough topics, in grace and in truth, empowering students to live out His purpose and design. This goes way beyond 'waiting until marriage' to embrace who they are and what they were created to do. Vans will be provided at 2:00 at Fairview Mennonite Church and Tripoint Church of God Mio, returning approximately 11:00 PM.

The trip to this event is being coordinated by His Love Family Resources, and the Youth Leaders of Fairview Mennonite and TriPoint Church of God, Mio.
